

Letter from the Director

Avoyelles Public Charter School

September 21, 2026

Dear Parents and Guardians,

At Avoyelles Public Charter School, we take immense pride in our mascot, the **Vikings**. History remembers the Vikings, not just as fierce warriors, but as highly disciplined strategists, skilled craftsmen, and people that took great care in their presentation, structure, and order. To conquer the challenges ahead, a Viking relied heavily on their preparation, community standards, and gear.

In that same spirit, we look at our uniform policy as the "armor" our APCS Vikings wear each day to prepare for academic success. As we approach **Fall Break**, we know that our students have grown over the past few months. We ask that you take a look at your "**Vikings in Training, Viking Adventurers, and Viking Warriors**" over the break so you can make any necessary adjustments to their appearance, so they are fully equipped for the remainder of the year.

Please refer to the Viking Code of Honor Reminders and the school uniforms pictured below.

Thank you,

Julie C. Roy

The Viking Code of Honor Reminders

- **Fit for Purpose (Clothing):** A Viking's clothing was never skin-tight or constricting; it was tailored to allow for agility, work, and comfortable movement. All student uniforms must be properly **loose-fitting**, rather than tight or form-fitting, and shirts must remain neatly tucked in.
- **Practicality and Modesty (shorts, skorts and skirt length):** Historical Viking attire was designed strictly for functionality, freedom of movement, and modesty during hard work. To maintain an appropriate and respectful environment, all shorts, skorts and skirts must measure **no more than one inch above the knee while kneeling.**
- **The Base Layer (socks and undershirts): Uniformity build community.** To prevent distractions and to foster unity, all base layers-socks, and undershirts-must be the appropriate colors. Socks must be solid khaki, white or black and undershirts must be solid white or black. All shirts must be entirely tucked in.
- **Hair Guidelines:** Students must appear neat and clean-cut. Facial hair is not allowed.
 - **Refer to the Code of Honor posted on the website for specific guidelines.**
